Our "No Hassle" Return Policy

Dear Customer,

We trust that you are pleased with your purchase from FilterSolution.com. We sell, and personally use as well, only the finest in air and water filtration products. Each order is filled to your specifications. Thoughtful attention is given to order details and packed with care.

If for any reason you are not satisfied with your purchase, simply return it to us **NEW AND UNUSED**. If you need an exchange, just place another order for the desired items.

Ship securely closed packages using a method that can be traced, such as UPS or FedEx Ground. UPS and FedEx Ground include the first \$100 of insurance. You will have to add additional insurance if your return is valued at over \$100.

Returns must arrive **UNDAMAGED** in order to receive a refund (hence the reason for the insurance!).

Package **MUST** be prepaid – we cannot accept COD's.

Please allow one to two billing cycles for the credit to appear on your monthly credit card statement.

****Custom-sized filters are made to your exact specifications, and cannot be returned.****
